City of Clay Center, Nebraska

Shall the City of Clay Center, NE eliminate the current North and South Wards allowing citizens to vote for the council members at large? It further means council members can reside anywhere within the city limits of Clay Center thus eliminating the current restrictions the wards now present. Currently two council members must come from each ward and only citizens living in those wards could vote for them.

A vote “For” will permit the elimination of wards allowing citizens to vote at large.
